Dear Examiner Tran:

In timely response to the Office Action mailed June 28, 2006, a Terminal Disclaimer was submitted on June 30, 2006. However, it was learned by the Applicant that Terminal Disclaimers may not have digital signatures. Therefore, it is believed that the Terminal Disclaimer submitted on June 30, 2006 is not operative, and a new Terminal Disclaimer is being submitted with a hand signature in this revised office action response. Please enter this timely amendment and remarks with the accompanying revised terminal disclaimer. The remarks begin on Page 2.
